

ASSEMBLY GUIDE

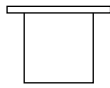

# Ped Table

neighbor

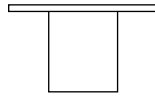

The Ped Table Collection comes in multiple sizes and heights, but they all assemble the same way. Follow these assembly steps if you have any of the following tables:

Ped Tall Side Table

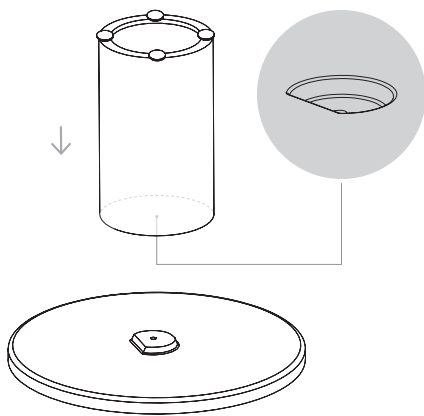

Ped Short Side Table

Ped Coffee Table

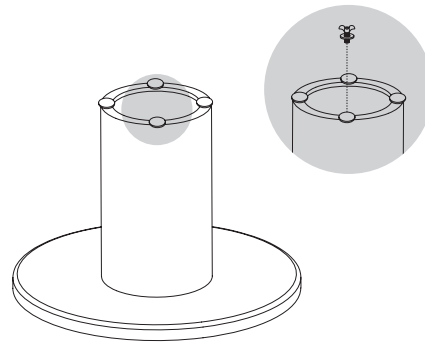

- 1 On a soft surface, carefully place the Tabletop upside down. Then, with help from a friend, align the Post with the mounting plate on the Tabletop while lowering it into place.

Tabletop, Post, and a soft surface

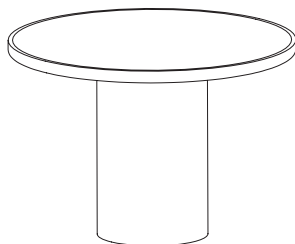

- 2 Attach Post to Tabletop by tightening the hardware into the threaded hole in the Tabletop's underside.

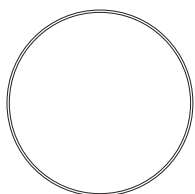

Wing Nut, Flat Washer

- 3 With help from a friend, carefully flip the table over. You're finished; it's time to relax!

## Parts

1x Tabletop

1x Post

## Hardware

1x Wing Nut

1x Flat Washer

- Assemble all parts on a soft surface
- Do not overtighten your hardware
- Never drag your table on hard surface
- Place on a level surface
