

Bandwidth Dining Table

neighbor

Description

Minimal profile, maximum versatility. The Bandwidth Dining Table features a slatted aluminum tabletop and powder-coated frame with a clean matte finish. It's durable, easy to maintain, and includes an umbrella hole for added flexibility. Designed to seat six comfortably—with room to accommodate eight—it pairs perfectly with the Bandwidth Dining Chairs or blends well with other materials. Simple to assemble and made to last, it's a table built for everyday meals, weekend get-togethers, and high-traffic commercial spaces alike.

Materials & Specifications

- Powder-coated aluminum frame and tabletop
- Slatted surface for drainage and airflow
- UV and weather-resistant matte finish
- Stainless steel hardware
- Center umbrella hole
- Adjustable leveling feet
- California Residents see [Prop 65 Warning](#)

* Please note: even the toughest finishes have limits. In coastal or high-traffic urban areas, some wear like scuffs, chips, or patina may naturally occur.
