

# Camber Chair

neighbor

## Description

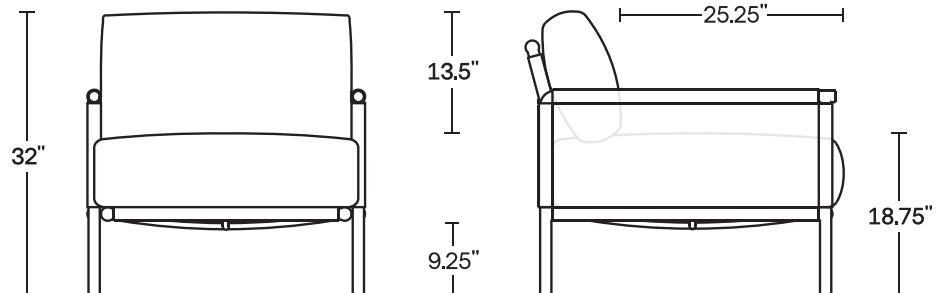

Soft where it counts. Strong where it matters. The Camber Chair is defined by a clean powder-coated frame wrapped in woven synthetic wicker designed for the outdoors. Quick-dry cushions are soft and finished in washable Sunbrella® fabric—because looking good shouldn't be high-maintenance.

## Materials & Specifications

- Powder-coated aluminum frame
- Handwoven all-weather synthetic wicker
- Quick-dry reticulated foam seat cushions
- Fiber-filled back cushions
- Sunbrella® fabric covers
- Stainless steel hardware
- Nylon glides
- California Residents see [Prop 65 Warning](#)
