

# Dweller Settee

neighbor

## Description

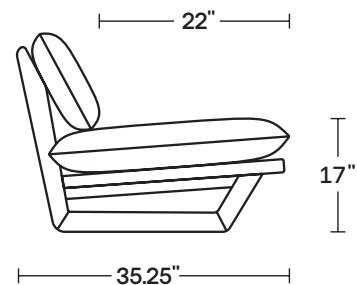

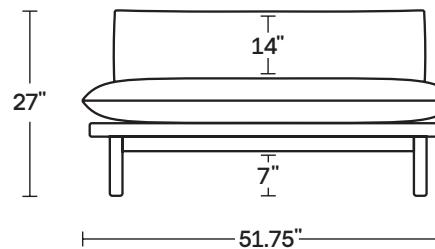

An outdoor settee made for lounging, Dweller's Sunbrella fabric adds texture and warmth to a sturdy sled base made of solid teak wood with soft, rounded edges. Set low to the ground, Dweller has deep, plush cushions and is angled back for star-gazing and living room-like comfort.

## Materials & Specifications

- Solid, FSC-certified teak. Kiln-dried for durability
- Sunbrella® bouclé fabric cushion covers
- Solution-dyed polyester back strap
- Quick-dry foam seat cushion and fiber back cushion
- Non-slip mesh fabric under base prevents cushions from sliding
- Adjustable feet for leveling
- Marine-grade hardware
- California Residents see [Prop 65 Warning](#)
