

Totem Chiminea

neighbor

Description

Inspired by the iconic fireplaces of the 1960s and shaped by our Southwest roots, our team designed Totem to reimagine the traditional fireplace in a clean, modern silhouette for the outdoors. Its steel enclosure contains the wood-burning flame, directing smoke upward while radiating heat outward to warm the space around it. Available in four bold colors.

Materials & Specifications

- Powder-coated aluminum frame
- Sunbrella® stretch strap
- Solid FSC-certified teak armrests
- Adjustable feet for leveling on uneven surfaces

Dimensions

Weight: 125 lbs
Base Diameter: 34"
