

Workaround Chaise

neighbor

Description

The Workaround Chaise is a full stretch of upholstered comfort that works on its own or connects to any configuration. The cushion back keeps it clean and relaxed. An optional planter back turns it into a living boundary, a privacy screen at the edge of a layout or the length of a pool deck. The same Sunbrella® fabric, the same quick-dry foam, the same low-profile aluminum frame throughout. One throw pillow included.
