

Workaround Chaise Sofa

neighbor

Description

The Workaround Chaise Sofa pairs the Sofa and Chaise into one cohesive configuration — a seat for two and a full stretch of upholstered comfort, side by side. Each piece connects to the other and to any additional Workaround module with two snap-on clips. The cushion back keeps both pieces clean and versatile. The planter back turns the configuration into a living privacy screen along its full length. Sunbrella® fabric, quick-dry reticulated open-cell foam cushions, low-profile powder-coated aluminum frame. Three throw pillows included.
