

Workaround Island

neighbor

Description

The Workaround Island is a seating configuration designed for the center of a space, not the edge. Two groups sit back-to-back, separated by either a cushion back or an integrated planter that rises from the middle of the piece. Approachable from every side, it works as a standalone statement in a large outdoor space or paired with additional seating. The same Sunbrella® fabric, the same quick-dry foam, the same low-profile aluminum frame throughout. Four throw pillows included.

Materials & Specifications

- Sunbrella® 100% solution-dyed acrylic fabric
- Removable, machine-washable covers
- Plush quick-dry reticulated open-cell foam cushions
- Powder-coated aluminum frame in White or Charcoal
- Optional planter back with drainage holes and plugs.
Liner fabric recommended.
- Throw pillow included
