

# Twofold Coffee Table

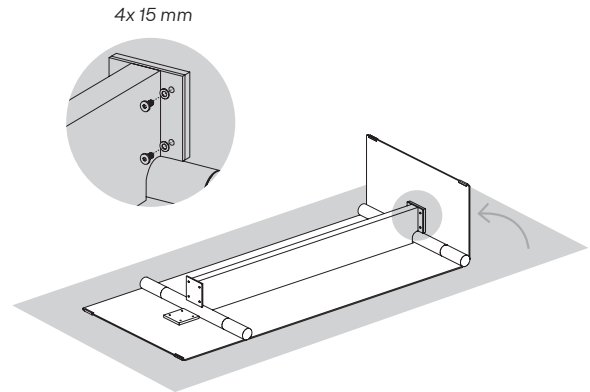

- 1 On a soft surface, gently lay the Fold-Out Structure with its hinges facing up. Then lower the Spine onto it.

Fold-Out Structure, Spine, and a soft surface

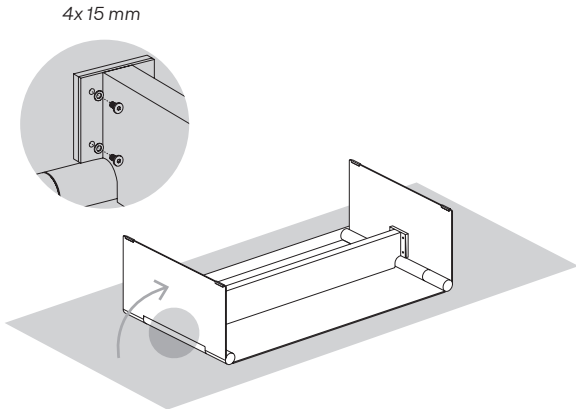

- 2 Fold one side of the Fold-Out Structure and attach it to the Spine. Don't fully tighten hex bolts.

4x 15 mm Hex Bolts and 4x Flat Washers

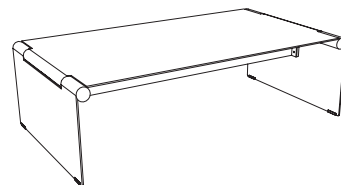

- 3 Repeat Step 2 on the opposite side. Then fully tighten all hex bolts.

4x 15 mm Hex Bolts and 4x Flat Washers

- 4 Carefully flip your coffee table over. You're finished!
