

Twofold Side Table

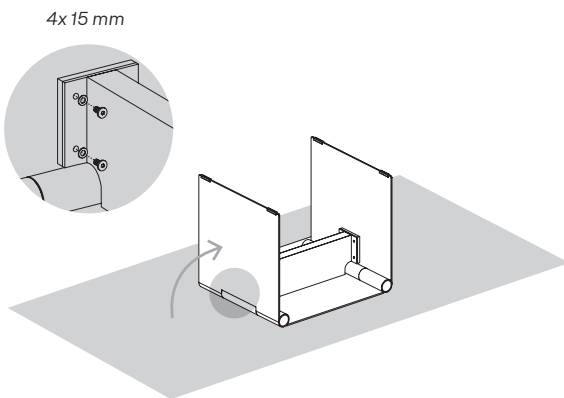

- On a soft surface, gently lay the Fold-Out Structure with its hinges facing up. Then lower the Spine onto it.
Fold-Out Structure, Spine, and a soft surface

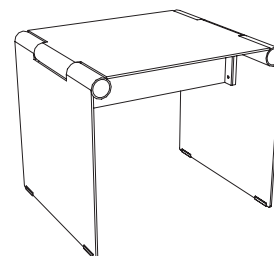

- Fold one side of the Fold-Out Structure and attach it to the Spine. Don't fully tighten hex bolts.
4x 15 mm Hex Bolts and 4x Flat Washers

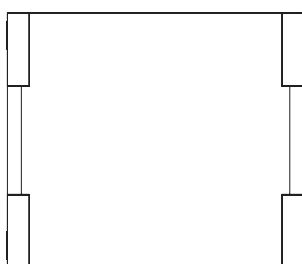

- Repeat Step 2 on the opposite side. Then fully tighten all hex bolts.
4x 15 mm Hex Bolts and 4x Flat Washers

- Carefully flip your side table over. You're finished!
